WORK EXPERIENCE

University of Toledo, Toledo, Ohio

Payroll & Accounts Payable Assistant | May 2026 – August 2026

- Support payroll operations serving approximately 5,000–7,000 employees, assisting with wage processing, tax documentation (W-2/W-4), OPERS contributions, and employee inquiries
- Review and verify 400–450 vendor invoices weekly, ensuring accuracy, proper authorization, documentation, and compliance with internal controls
- Maintain accounts payable records and track invoice status to support timely payment processing and month-end close
- Collaborate with accounting staff to ensure adherence to university financial policies and reporting deadlines

Information Technology Support Assistant | September 2025 – Present

- Organize and maintain databases for computer asset management and tracking across campus departments
- Assemble, deploy, and retire computer stations for faculty, staff, and administrators
- Troubleshoot hardware and software issues for faculty, staff, administrators, and students
- Resolve 20–30 technical support requests per week for students and faculty

Fulkerson Jewelers, Toledo, Ohio

Sales Representative | August 2020 – Present

- Greet customers, recommend products and services, and process cash/credit transactions, contributing to increased sales and a growing clientele
- Negotiate prices and terms, place special orders with suppliers, and adjust pricing based on market conditions and competitor analysis to maximize revenue
- Resolve post-sale issues and answer product questions to maintain high customer satisfaction
- Display and maintain merchandise to promote sales and enhance the customer experience

VOLUNTEER EXPERIENCE

Believe Center, Toledo, Ohio, 2020-2024

- Assisted with organizing charitable events that supported equitable distribution of food and clothing
- Mentored underprivileged youth and adults
